All pupils must follow the rules in this agreement when using school computers, tablets and chrome books.

Pupils that do not follow these rules may find:

- They are not allowed to use the computers, tablets and chrome books.
- They can only use the computers, tablets and chrome books if they are more closely watched.

Their teachers will show pupils how to use the computers, tablets and chrome books.

**This is how we stay safe when we use computers, tablets and chrome books**

- I will use the school computers, tablets and chrome books with support from my teacher.
- I will only use activities that a teacher or suitable adult has told or allowed me to use.
- I will take care of the computers, tablets and chrome books and other digital equipment.
- I will ask for help from a teacher or suitable adult if I am not sure what to do or if I think I have done something wrong.
- I will tell a teacher or suitable adult if I see something that upsets me on the screen.
- I know that if I break the rules I might not be allowed to use a computers, tablets and chrome books.

Our School Online Safety Motto is: STOP, THINK, TELL.
