Team teaching: PE lessons Steyning Grammar School staff alongside Thakeham Primary teachers.	£5,486.25	To provide outstanding sports role models for teachers and pupils; and to develop high quality sustainable sports provision.	Teaching alongside qualified PE teachers has previously improved the confidence and development of the current staff. This was evident in the quality of teaching provided to the children across the past three years. This plan will therefore continue this year ensuring there are opportunities for class teachers to lead, supporting development of ideas and confidence and also to support future sustainability.		
Funded sports clubs (Purely Sports).	£2,035	To continue to engage pupils in active sports sessions before/after school run by PE	The children participate in a variety of sports during their PE lessons. These funded sports clubs provide children with opportunities to continue to develop the skills in a range of sports. After consulting with the children, we will be		

		Coach.	providing clubs that they have expressed the greatest interest in.	
Staff/transport costs to facilitate STARS tasters/tournaments.	<b>£800</b>	To continue participation and improve performance in STARS PE tournaments and taster sessions with our local group of schools (STARS).	<p>In the previous year, the children took part in a variety of tasters and tournaments with their teamwork being the skill that has seen the greatest development. Through their evaluations, the children reported that they liked supporting each other as it made them feel part of something and parents who have come to support have agreed that it was nice to see such a fantastic, friendly and cohesive atmosphere. This, alongside the skills development that the tasters and tournaments provide as part of our PE offer make the impact of these events very positive.</p> <p>Funding facilitates the transportation of the pupils to the events and allows staffing of those leading and supervising the activities (qualified staff first aider).</p>	
Sports Week	<b>£2500</b>	To engage children in a range of related sports activities linked to the 2020 Olympics	In previous years sports week has been thoroughly enjoyed by all involved and enriched the PE opportunities available to all pupils. This weeklong event will include a range of physical activities which will not only have physical benefits on the children but also provide links to healthy lifestyles and wellbeing.	
Supply Cover	<b>£800</b>	To support CPD opportunities for the PE Leader to enable whole-school development and leadership of PE	Release time will allow the PE leader to collate data from the tournaments and taster sessions and also to continue to monitor the impact of PE spending across the school. It will also account for any cover needed for the PE Leader to attend any sports events as a first aider.	

		To provide release time for the PE Leader to plan alongside PE coaches and to facilitate events and for monitoring of impact of our PE plan.		
Most Able Pupil workshops	<b>£600.00</b>	To provide opportunities for further skills development and opportunities amongst our pupils who are recognized as being 'Most Able' in PE.	More able pupil workshops will encourage participation for those children who are identified as more able in their classes. It will allow them more opportunities to further develop and enhance their skills.	
Equipment	<b>£4,500</b>	To further update PE resources for effective PE teaching and learning.	In order to facilitate engagement in PE our equipment will need updating as well as providing the children with a range of resources to support effective teaching and learning. Storage is a key requirement for the year ahead.	
Scheme of work	<b>£800</b>	To ensure a progression of skills are being taught across the classes.	A scheme of work will have a positive impact on the class teachers as they will be able to follow a progression of skills in a variety of sports without the support of a PE coach. This also builds in sustainability and broadens teaching and learning opportunities.	
Healthy Eating/Active Lifestyle	<b>£500</b>	To engage children in understanding about the importance of food and nutrition alongside a healthy, active lifestyle.	A healthy eating workshop will highlight which foods are beneficial to the children and how they can choose a healthier option. It will also show them easy home workouts which they can do on a daily basis to encourage a healthy lifestyle.	
Forest School	<b>£4,440</b>	To provide opportunities for outdoor learning	This will provide opportunities for children to see a different side to physical activity including building shelters, tying ropes and lifting heavy objects and will also improve their team work and cooperation. Their fine motor skills will also benefit through the use of tools and equipment. It supports our School Strategic Development planning on healthy minds and bodies and our School Values.	

Play Leader MMS	<b>£2800</b>	To engage and encourage children in a range of physical activity during playtimes	This will encourage children to be physically active during their lunch times which will have a positive impact on activity levels during school. It will also provide support for socially distant game alternatives during COVID-19.	
Jigsaw Scheme of work	<b>£1795</b>	To support teaching and learning in PSHE through wellbeing and physical activity.	Jigsaw is a comprehensive Programme for Primary PSHE including statutory Relationships and Health Education, in a spiral, progressive and fully planned scheme of work, giving children relevant learning experiences to help them navigate their world and to develop positive relationships with themselves and others. With strong emphasis on emotional literacy, building resilience and nurturing mental and physical health, Jigsaw will support and scaffold engaging and relevant PSHE within a whole-school approach. Jigsaw lessons also include mindfulness allowing children to advance their emotional awareness, concentration and focus.
