Team teaching: PE lessons Steyning Grammar School staff alongside Thakeham Primary teachers.	4,826.25	To provide outstanding sports role models for teachers and pupils; and to develop high quality sustainable sports provision.	It is anticipated that this team teaching approach will be an excellent form of professional development for our teachers, facilitating longer term skills development for them in the future. This should in turn have a positive impact on the pupils' PE skills.
Funded sports clubs purely sports.	3,135.00	To continue to engage pupils in active sports sessions before/after school run by PE Coach.	This initiative was introduced in May 2015 with a positive impact and will continue for this academic year. Consultation with pupils means sports activities are geared to meet their interests, supporting one of our Curriculum Drivers 'Inspired Pupils'. It is hoped that we continue to engage more children in physical activity as a result of these and encourage children to try different sports by providing a changing menu of provision. As a result of becoming a Primary School we are offering clubs linked to age ranges e.g. Year 1 to Year 3 and Year 4 to Year 6. This we anticipate will support focused teaching and learning and skills development.

Staff/transport costs to facilitate STARS tasters/tournaments.	530	To continue participation and improve performance in STARS PE tournaments and taster sessions with our local group of schools (STARS).	<p>Being a small school, access to a wide range of sports activities is important. Community is also important. With our local group of schools we are able to access a wide range of activities and specialist equipment through our local secondary school. Children have the opportunity to visit local schools and represent our school in a wide variety of sports. This is hoped will improve skills, team work, self- esteem and confidence. Funding will cover cost of transport and any staff overtime costs.</p> <p>With investment in PE skills during lessons and through before/after school clubs, we aim to improve our success rate! We aim to build on our success with the Silver Sports Award and aim for Gold this year!</p>
2018 Football World Cup Week	1,000	To engage children in a range of football related sports activities linked to the 2018 Football World Cup.	We will be holding a sports week in June 2017 to celebrate the 2018 Football World Cup. We hope to inspire not just 'Football Fever' but a focus on a skills development and other sports closely aligned to football. This week will also see us celebrate cultural diversity as we study a range of countries participating in the final. A range of sports coaches and clubs will lead children in these activities both on and offsite.
Conference cost Supply Cover	800	<p>To support CPD opportunities for the PE Leader to enable whole-school development and leadership of PE</p> <p>To provide release time for the PE Leader to plan alongside PE coaches and to facilitate events and for monitoring of impact of our PE plan.</p>	<p>Attending the PE Conference will support the PE Leader to plan for effective use of the Sports Funding skills and to develop expertise in leading whole-school PE.</p> <p>Release time will be used to develop effective long-term sustainable planning across the school, to facilitate preparation for taster/s/tournaments, to evidence our application for the School Games Mark application, and to measure the impact of our PE plan</p>
Most Able Pupil workshops	600.00	To provide opportunities for further skills development and opportunities amongst our pupils who are recognized as being 'Most	Those talented in different sports will be offered opportunities to further their skills and take part in opportunities to see them be able to progress in their particular field of sport.

		Able' in PE.	
Skipping workshop	385.00	To raise standards in school by intrinsically motivating the pupils.	To motivate the children to succeed, whilst at the same time encouraging them to exercise. The workshops fit in with the concept of Growth Mindset as they demonstrate to the children that if they put the effort in they can improve. They make children responsible for their own improvement using the unique skip2bfit counting rope to monitor their improvement in the Skip2bfit Challenge. Fresh blueberries are given out to all children and staff to encourage healthy eating.
Maths of the day subscription	495.00	To provide an active way to teach maths.	To ensure that children are active for 30 minutes a day, objectives are available across the maths curriculum for all ages, providing an active way to teach them. It is hoped this will have a positive impact on daily participation in PE and fitness levels.
Equipment	3,000	To further update PE resources for use in in light of becoming a new Primary School on a new site.	There is a need for updating our resources and providing quality equipment to facilitate engagement in PE. Once our hall is built in December new resources will enable us to support effective teaching and learning in this new space.
Healthy Eating/Active Lifestyle	700	To engage children in understanding about the importance of food and nutrition alongside a healthy, active lifestyle.	It is anticipated that we will use this funding to enrich relevant topics through the use of visitors e.g. nutritionists etc to support cross-curricular work on food/healthy eating.
Cricket	400	To provide opportunities for focused skills development in cricket and to foster local sports links.	We hope to make links with local cricket clubs and use this local expertise to inspire children in this sport and to develop their skills.
Forest Schools	900	To encourage activity and physical development through Forest School activities.	This funding will be used to contribute to opportunities for children to be outside and active in our newly developed Forest Schools area once developed.

Cross curricular-dance opportunities in the curriculum including African dance workshop – linked to Black History Month.	1200	To extend the range of dance opportunities available to pupils and to encourage greater participation through cross-curricular links.	Funding will support opportunities for children to experience dance in a range of contexts and encourage participation by all through topic linked activities and workshops. This will support our SMSC work and promote our Curriculum Drivers 'Our Place in the World' and 'Inspired Learners.'
